Play,
Learn
and
Grow...
Together!

Children learn to play together and alongside other children, share activities and develop the skills of Early Childhood:

Physical:- For gross motor skills, the children use the play equipment outside and gym equipment indoors. For development of their fine motor skills, the children participate in craft activities, painting, play dough and puzzles.

Emotional:- The safe and secure environment at playgroup allows children to develop resilience and

Language:- Our children interact with other children and adults, sharing their experiences. We share books, learn rhymes and sing songs.

Social:- Playgroup at Churchill Primary school provides a great social coming together for both the children and parents alike. The children learn to share the equipment and explore through their play.

Cognitive:- Children work on solving problems they encounter, solving puzzles, working out what they need to complete the task they are involved in, with adult help if necessary.

Playgroup has both informal and formal activities.

9:00 free play,
9:30 craft activity,
10:00 snack time,
(brought from home)
10:15 outside play or gym work inside,
10:40 reading or singing.

Tea & coffee provided.

CPS playgroup fosters a community involvement and is run by our Leading Teacher who is passionate about the Churchill Community.
