#### PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

#### SCOPE

This policy applies to all teaching and non-teaching staff at Churchill Primary School and Hazelwood Estate FLO Campus, including education support staff, casual relief teachers and visiting teachers.

#### POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

#### Before and after school

Churchill Primary School and Hazelwood Estate FLO Campus; grounds are supervised by school staff from 8:15am until 3:25pm. Outside of these hours, school staff will not be available to supervise students.

The areas School staff will supervise before and after school are the basketball area and inside playground.

Parents and carers will be advised through regular reminders in our newsletter that they should not allow their children to attend Churchill Primary School and Hazelwood Estate FLO outside of these hours. Families will be encouraged to contact the main office on 03 5122 1343 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

## Hazelwood Estate

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

If the supervising staff member is unable to conduct yard duty at the designated time, make arrangements with another staff member and give as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the office but should not leave the designated area until the relieving staff member has arrived in the designated area.
