

CPS MINI OLYMPICS DAY

Dear Parents/Guardians,

We will be holding a special Mini Olympics day this **Friday 12th August, 2016** to celebrate the Olympic Games in Rio.

Each grade is studying a different country in class and we are encouraging all students to come dressed in their specific country's colours, national dress or theme on the day.

We will begin the Olympics with an opening ceremony where students will parade in their costumes and represent their countries. After this, students will be divided into cross-age groups and participate in special mini Olympic activities and we will end with a Run to Rio just before lunch.

These type of cross-age group days are a fantastic opportunity for all students to work together in teams, positively and respectful of individual learning levels and abilities, in line with our school values.

We look forward to a fun filled day!

The country that each grade is representing is listed below:

Prep - Italy

3/4 B - Mexico

1/2 M - Indonesia

3/4 F - England (United Kingdom)

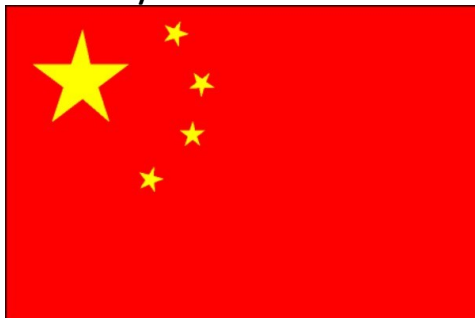

1/2 D - Ireland

5/6 R - Germany

1/2 N - China

5/6 C - Brazil
