ENROLMENTS 2026

We are beginning to plan for 2026, including class sizes and teacher allocations. This process can be challenging, and it relies on us having accurate information about student enrolments for the coming year. If your family is planning to move at the end of this year or early next year, please let the office staff know as soon as possible so we can plan accordingly. (A big thank you to the families who have already done this!)

Similarly, if you know of any families moving into the area, please encourage them to contact the school to arrange a meeting and, if possible, a tour. And of course, don't forget to share all the wonderful things happening here at CPS!

READY, SET....PREP!

TONY BONES

Tony Bones will be coming to our school on Tuesday 16th September to perform and act out the book "General Waste". Published by Scholastic Australia and illustrated by Michel Streich.

General Waste is a picture book about a character named General Waste who loves to waste things, and his neighbour Gram-Gram, who is the opposite. The story highlights the joy of simple living and finding value in the things we already have.

Tony Bones always puts on a wonderful performance and we are very lucky to have him come and perform at our school again this year.

AVOIDING EARLY PICK-UPS

We kindly ask that parents and carers avoid collecting students early unless it is an emergency or for a prearranged appointment. We strongly advise that children are collected at the end of the school day at **3:15pm**.

Early pick-ups disrupt the class during valuable learning time for both students and teachers.

Thank you for your support and understanding.

P-2 LEARN TO SWIM PROGRAM

This year our Junior Intensive Swimming program is planned for Thursday 20th November to Friday 28th November (Term 4).

Students will need to bring bathers, towel, goggles (optional) and waterproof bag to store wet clothes. Students will walk from the Churchill Leisure Centre under the supervision of teachers and support staff. In the event of inclement weather, they will be transported by bus to and from the venue.

GRADUATION BEAR/OWL

Notes have been sent home this week to our Grade 6 students regarding the option to order a **Graduation Bear/Owl** for their upcoming Graduation on **Friday, 12th December**. (More details about Graduation will be shared in Term 4.)

If you would like to order a **Graduation Bear or Owl**, please complete the order form and return it to the office by **Monday, 17th November**.

LATROBE VALLEY DIVISION ATHLETICS

We're proud to share that several of our Grade 3 to 6 students have qualified for the Latrobe Valley Division Athletics!

The event will be held on Tuesday, 16th September at the Joe Carmody Athletics Track in Newborough. This is a fantastic achievement, and we know our athletes will do their very best on the day.

LAST DAY TERM 3

Friday 19th September is the last day of Term 3 and we will finish at 2.30pm. Latrobe Valley Bus Lines have confirmed the buses will NOT be running students home at this time. If your child catches the bus home you will need to make alternative arrangements on this day.
